

## The Friendship Star Block

The guild in Pittsfield, Yankee Pride, is making lap quilts to donate to the Shriner's Hospital this year. This block would be perfect in a 4 x 5 setting with 2 inch sashing.

Our version is 6 inches, but it is easily adaptable to other sizes.

Use your favorite half square triangle method to make the 2 1/2 inch half square triangles.

For each square you will need:

4 - 2 1/2 inch Blue/.Yellow squares

4 - 2 1/2 inch Yellow squares

1 - 2 1/2 inch Blue square

The quilt pictured below would measure 38 x 46.
